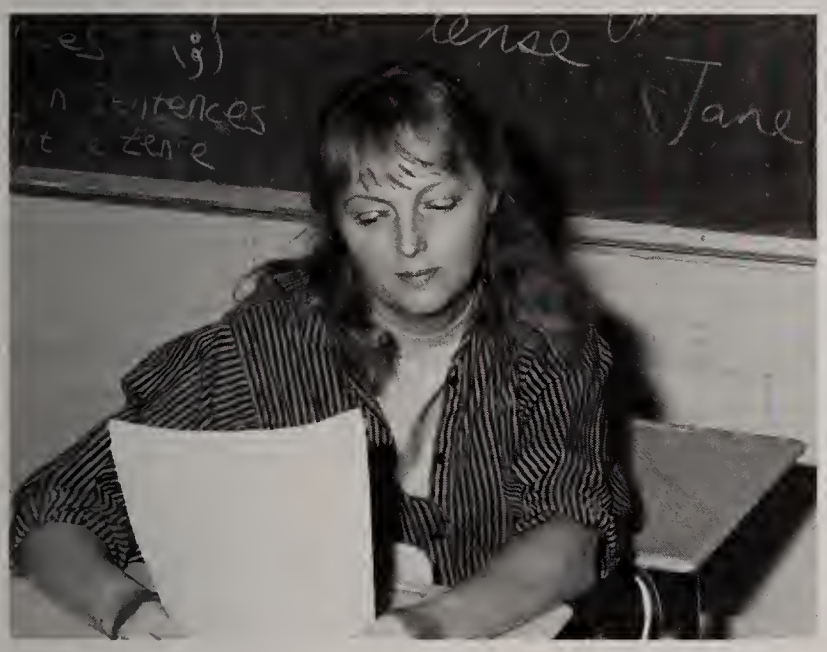
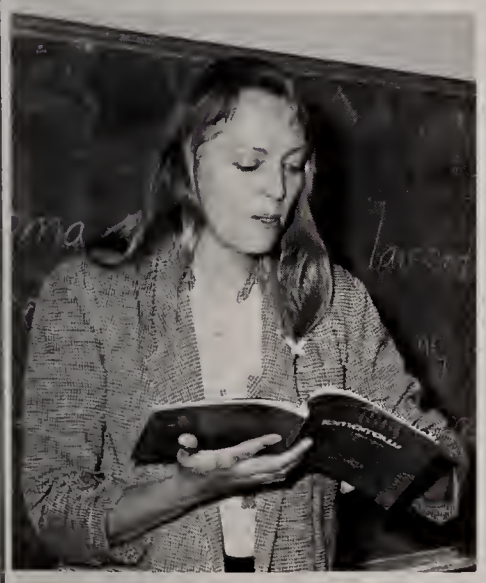
Dedication

Ms. Joyce Guild



In recognition of her commitment to educating us, leading us and helping us to become better, not only as a class, but as individuals, the members of the Class of 2003 take great pride in dedicating our yearbook to Ms. Joyce Guild



As a history teacher, she has helped all of us to become more aware of our past, our present and what to expect in the future. Her dedication to her students over her years at Tri-County is legend. She had the ability to open the minds of even the most closed-minded, and to enable her students to look at things from a different point of view. Many of us first walked into her classroom not knowing what to expect, but when we left, we walked out with a whole new perspective on our education and our lives. We left her classroom with memories that will last a lifetime.

For the opportunity to honor one of the most well-known, well-respected teachers at Tri-County, we, the Class of 2003 express our gratitude to Ms. Joyce Guild through the dedication of our yearbook.

A Message from the Superintendent

To the Class of 2003:

Congratulations. You have successfully completed one of life's true passages - a twelve-year old odyssey from childhood to adulthood. The joy of graduation is, however, accompanied by the responsibilities of adulthood.

We, your teachers, have done our best to arm you with skills and a work ethic you will need to succeed in your adult life. It is now up to you to apply your knowledge for the benefit of yourself, your family, and your society. For although you have needed us and your parents for the past twelve years, it is we who now need you to work with us and lead us through the twenty-first century. It is your knowledge and beliefs that will form the basis of the society you, we, and your children will live in for the decades to come. I hope Tri-County has provided you the bedrock upon which your adult future can be successfully built.

So, my message to you is that you accept your adult responsibilities confidently and enthusiastically. The excitement and joy which accompanies graduation can be experienced throughout your adult life if you remember that learning never ends. It is, rather a process to be respected and enjoyed throughout your adult life.

My congratulations and best wishes go with you. Thank you for having been with us at Tri-County.

Mr. John M. Jones
Superintendent-Director

A Message from the Principal

To the Class of 2003:

You will always hold a special place for me because, as principal, you are my first graduating class. It has been a pleasure to watch you mature from the young, nervous, incoming freshmen you were to the older, confident, capable outgoing seniors you have become. The transition has not always been smooth for any of you but you have persevered in trying times. You have experienced MCAS, Senior Projects, and the daily social issues of adolescence and you have done well. I am confident you will continue to do so because you have received something very unique, a vocational education. Be proud of it. It is proof you have learned how to work. Good luck in all you do!

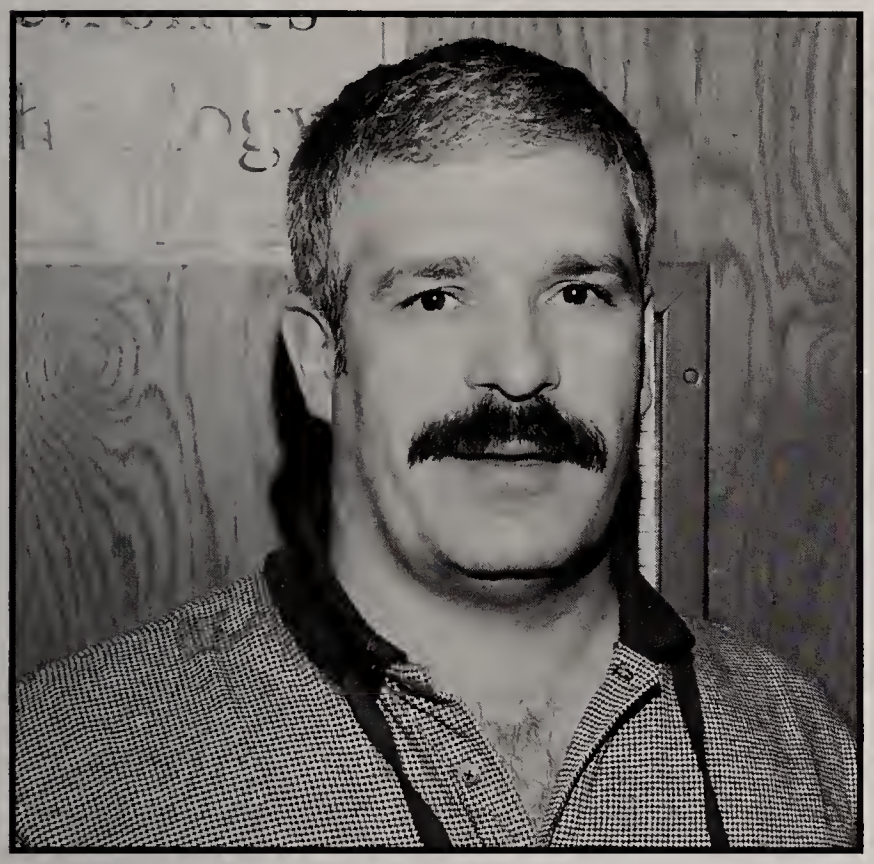
The Class of 2003's Advisers



To the Class of 2003

It has been a great four years. I have enjoyed seeing you all grow and mature since your freshmen year. It was my pleasure to meet so many of you during the exploratory program. Working with your class from the 9th grade semi-formal all the way to the senior class trip was a great experience. I wish you all the best of luck in your future endeavors as professionals.

Sincerely,

Robert S Medeiros

Robert S. Medeiros, Electronics Instructor

Dear Class of 2003,

It was a great honor to have the opportunity to serve as your class adviser. I was able to witness first hand the growth and changes you went through from awkward freshmen to confident seniors. The experience of having gone through that with you is something that I will never forget. I trust that you will always remember your high school years, and hope that you will look back on them fondly. Enjoy, grow, live.

Buena Suerte!

Fall Cheerleading

The 2002 Fall Cheerleading season was full of excitement and lofty expectations. The dedication and hard work of the team led them to a first place finish in the Mayflower League Competition. Seniors Brittany Buffone, Tina Mucciarone, Valerie Labreque, Haley Waznis, Jeanette Perkins, Linsey Roderick and Jenn McDaniel led the Cougars. We wish these ladies luck upon their high school graduation.

The Cougar boy's cross country team put forth a great effort this season, finishing with a 7-3 record. The highlights of this season were many and measured in each boy's individual achievements. All the runners were able to improve their times from week to week and their hard work and dedication paid off with "Personal Best" times achieved at almost every meet. Captain and team leader Steve Faria proved to be unstoppable as he was the first Cougar to cross the finish line in every meet. Seniors Kevin Doherty and Sean Garron also led the team. Other team members were junior Chris Herget; sophomores Kevin Sanford, Dave Garcia, Steve Archambault, Billy Chapman, Jon Silva, Chris Golding, and Nick Bellavance; and freshmen Steve Huling, Lukas Callahan, Scott Masterson, and Dan Gottlieb. Most of the runners will return next year and we hope to improve our team record.

Girls Cross Country

The Girls Cross Country team began their season strong but were soon plagued by injuries/illnesses. Elizabeth Ceruti will be the only senior lost to the team next year. We wish Liz well in her future endeavors. Elizabeth Costa and Kristine Ellis performed well throughout the season and as juniors will be returning for their final "run" senior year. Newcomers Kerri Bowyer, Keya Cash, Carolyn Maloney and Kate Lowey show great promise for the future of the TC Girls Cross Country team and we look forward to their return next year.

After losing a talented group of seniors from last year's team, the 2002 edition of the Tri-County football team faced a lot of adversity and uncertainty going into the new season. The Cougars struggled early in the season, but finished strong by winning three of their last five games. Seniors Rich Pieroway, Dominic Carlow and Mike Brossi led the Cougars. With a strong group of talented juniors and sophomores returning, next season promises to bring more victories and exciting moments.

The Tri-County Varsity Golf Team exhibited the growing pains of a youthful team. Each team member demonstrated an intense desire to learn the skills of the game and compete to the best of his ability. After many hours on the hitting range, skill development lead to improved scoring and more points earned in competition. The team highlight for the season was a third place finish in the State Vocational Championship. T.J. Rizzo was the Most Improved Player, Kolby Simmons was the Most Dedicated Player, and senior captain, Eric Brescia received the Coach's Award for his many contributions to the team both on and off the course. The team thanks Eric for his efforts and wishes him well with all his future challenges.

The 2002 Cougar varsity soccer team produced more positive results than they produced negative results. Although the team managed just three wins on the season, they also managed to garner six ties, including one against Mayflower League champion, undefeated Westport and second place finisher, Sacred Heart. Also, four of the eight losses were by just one goal each.

The most difficult aspect of the 2002 season for the varsity soccer team was that it had to end. The team said goodbye to eight seniors, seven of whom were starters and will be sorely missed. Four of the graduating seniors represented Tri-County on the Mayflower All Star team; those four were Brett Miller, Brian St. Martin, Matt Ciccariello, and Tom Ciccariello. All seniors, including Seth Gaboury, Dan Webber, and Ryan Shuman contributed greatly to a most enjoyable season.

Volleyball

With a turnout of more than thirty hopeful players, the 2002 volleyball season started with great enthusiasm and high expectations. Led by Co-Captains Danielle Cormier and Kathleen Gearty, the ladies worked hard to form a solid unit. Thanks to additional strong showings from Heather Snow, Kristine Hobbs and Laura Bastow,.the lady Cougars battled proudly, improving with each contest. By the end of the season, everyone on the squad had shown dramatic improvement in their individual performances and more importantly, showed that they had what it takes to form and be part of a competitive team. Weakend by injury, the ladies battled to the bitter end, almost entering the vocational tournament. This was a season marked by sportsmanship, enthusiasm and desire. The friendships we forged will forever be with all of us and the memories we shared will most certainly be cherished. We bid our seniors goodbye and good luck and we will take their spirit with us into our upcoming volleyball season.

Boys Basketball

The season got off to a rocky start with the notification that Brian St. Martin was ineligible to play. The team had a difficult time focusing on the task at hand and learning their roles. They did not fair well in non-league action; winning only two of six of the non-league games. However the learning experience in these games was the most influential in determining the personality of our team. The team possessed a never quit attitude. They were commended by many coaches in the Mayflower league for playing a very clean, but physical game. The "never quit" attitude of these boys was displayed in every game. Never once did this team quit on themselves or each other. This attitude proved vital in the win over South Shore Christian in our first matchup. The team was down 20 points with four minutes to play when they rallied to outscore the visitors 22-4 in the next 3 minutes. Rich Pieroway hit a 3-pointer to pull the team to within one with about 1 minute to play. Matt Ciccariello stole a pass, fed Brian Labonte underneath for 2 then repeated it again to put the Cougars up for good. It was a game that will be long remembered by many. The nucleus of the team was made of seniors that had not played much together at the Varsity level. Yet the team came together to accomplish a record of seven wins and only 12 losses. The contributions of some underclassmen were outstanding in their time with varsity. Bill Grossi was a member of the varsity team but when injured, Nick Allen and Pat Boudreau, both sophomores stepped up and produced nicely. The Class of 2003 definitely helped build a program that will continue to grow in the years to come.

Coach Wallace wishes, "All the best to the graduating seniors...I hope that some of the lessons of life that you learned during the season will be advantageous to the rest of your life."

Girls Basketball

A record number of girls came out this year and unfortunately, cuts had to be made. Under the direction of returning coaches Chenette and Forbes the Cougars enjoyed one of their best seasons. The Varsity was only one win away from post-season play and Co-Captains Kelly Bennett and Kara Ambrose said, "We will be there next year." The Varsity graduated two seniors this year, Linsey Roderick and Krystal Perry. We thank them for a job well done and their spirit and dedication will certainly be missed. Thanks to all the girls for an enjoyable season. Good luck and we look forward to seeing you next year.

The 2003 Winter Cheerleading season was full of excitement. Senior captains Valerie Labrecque, Jen McDaniel, Tina Mucciarone and junior Stephanie Walsh led the team. Best of luck to the graduating seniors.

Wrestling

The Cougars were able to tough out another wrestling season. There were a lot of new faces on the team, however veteran wrestlers were able to pave the way for some impressive team victories, as well as individual accomplishments. It turned out to be a great building year, allowing for the new faces on the team to acquire some quality experience on the mat. It is that experience that will transcend into next year's season, when the Cougars will be looking to bring home the Mayflower League Championship Banner. GO COUGARS!

Four years ago, I remember talking about a bunch of freshmen baseball players at the spring sports award night. I remember telling everyone that this group had some great leadership potential. Later that night another coach said to me "How can you see leaders in a bunch of 15 year old kids?"

Well, I did. It took 4 years of work, but the potential was realized. Not only could I see it, but many of the under classmen saw the leadership the seniors displayed as well.

With a few week left in our season a newspaper reporter asked one of our Junoirs what is the difference in the team from last year to this year? There was only one answer, "Senior leadership."

I hope that the 2003 baseball team will remember, and be remembered for, more than its 19 - 4 - 1 record.

The 2003 Tri-County Cougar lacrosse campaign was a complete success. Despite having to endure the hardships of perhaps the wettest spring in recent history, the team prospered and finished the season as co-champions of the Massachusetts Technical Lacrosse League (MTLL) with a nearly perfect record of 13-1. The one loss, to arch rival and co-champion Minuteman Tech, was the first league loss ever experienced by the Cougars in the two year existence of the newly formed MTLL.

The outstanding league record of the Cougars earned them a home game, and the 8th seed in the Eastern Massachusetts DIV III State Tournament. In the first game, the Cougars faced the 9th seed Minuteman Tech and defeated them by a score of 16-5. In the second game, the Cougars traveled to the 1st seed Cohasset and were defeated by a score of 18-2. The Cougars finished the season with an overall record of 14-7 and look forward to the challenge of winning yet another MTLL championship in 2004.

Hobbs concluded her stellar career on the mound with 27 wins and only 5 losses over the last two seasons.

Leading the team with the highest batting average and most RBI's was sophomore sensation Kara Ambrose. Melissa Connolly led the team in most triples and tied for most homeruns, while anchoring the defense at shortstop. Melissa Brennan, Allison White, Jen Barr, and Brianna Rozak continued to show improvement throughout the season. Freshman Brittany Notturno proved her versatility in playing several key positions on the field.

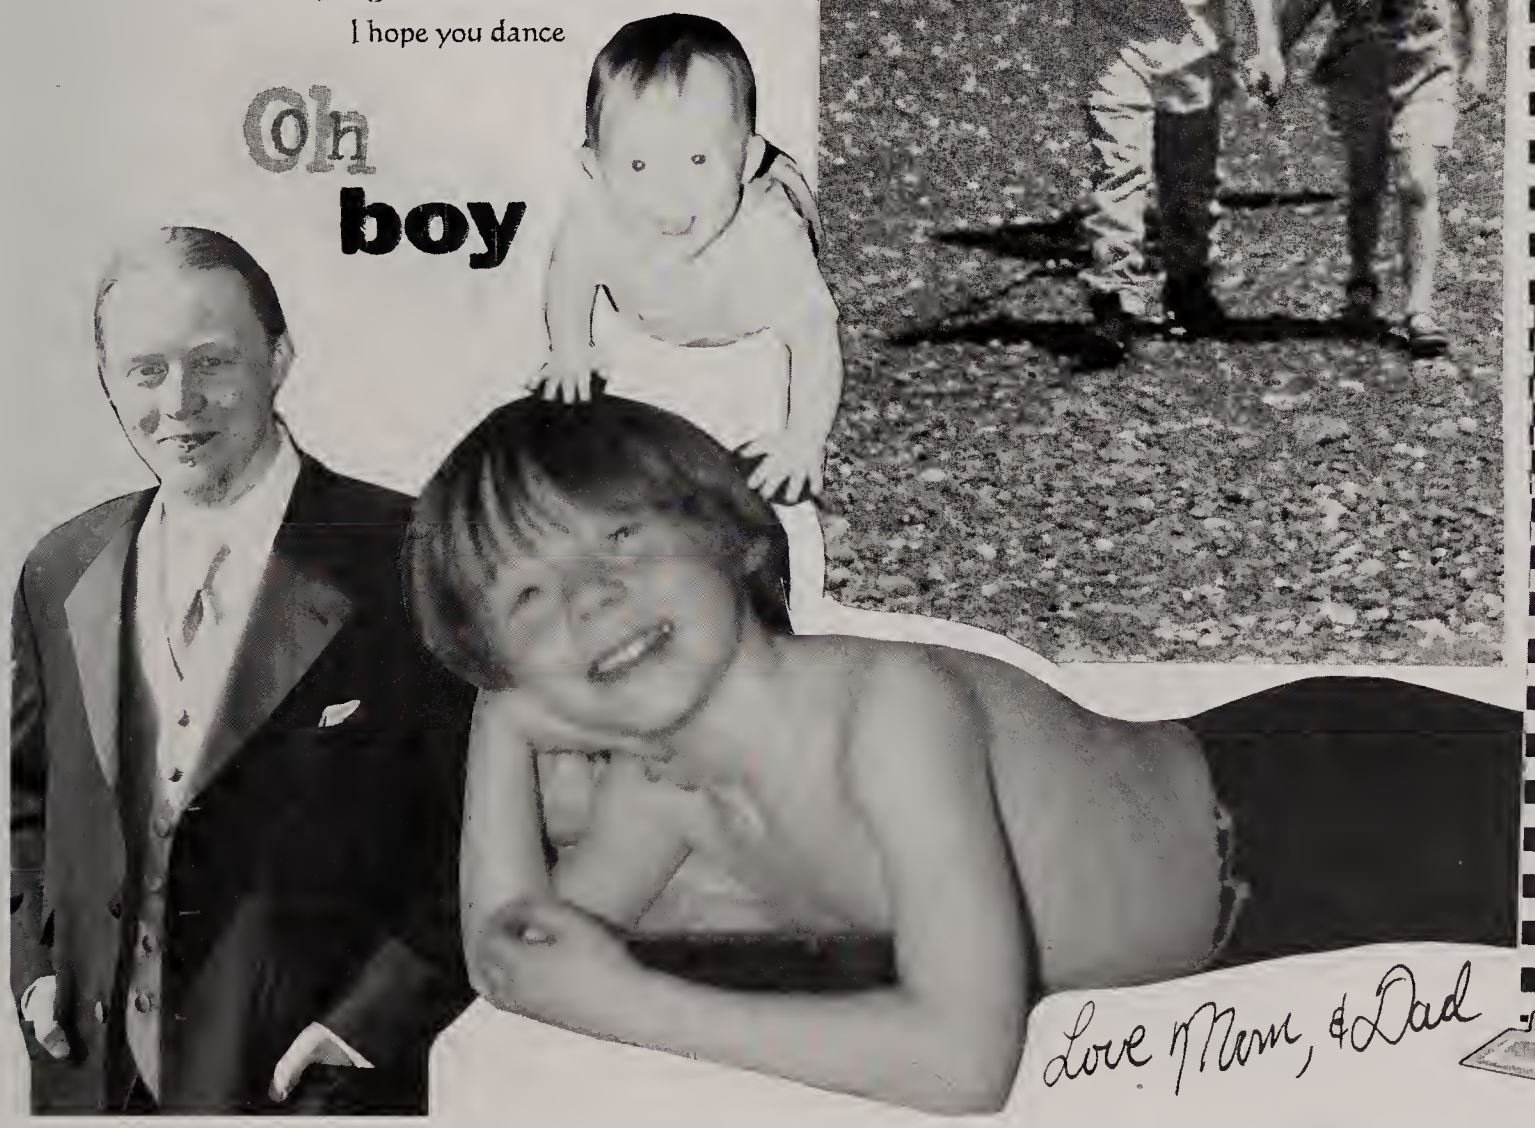
Rob Jonsberg 2003

I hope you never lose your sense of wonder
You get your fill to eat but always keep that hunger
May you never take one single breathe for granted
And God forbid love ever leave you empty handed
I hope you still feel small when you stand beside the ocean
Whenever one door closes I hope one more opens
Promise me that you'll give faith the fighting chance
And if you get the chance to sit it out or dance

I hope you dance

I hope you never fear those mountains in the distance
And never settle for the path of least resistance
Living might mean taking chances but they're worth taking
Loving might be a mistake but it's worth making
Don't let some helping heart leave you bitter
When you come close to selling out reconsider
Give the heavens above more than just a pasing glance
And when you get the choice to sit it out or dance

I hope you dance



Love Mom & Dad
